

Top Fifty Players in Chicago Theater

27. **Brian Sidney Bembridge** **Scenic Designer**

Most theater productions would be terribly lacking if it weren't for a great scene and lighting that's just right. That's why Brian Sidney Bembridge's job is so important. Chicago's most renowned scenic designer, the thirty-something just racked up a Jeff Award for his lighting of TimeLine's production of *Hannah and Martin* which he also designed the set for. Most recently, the visionary mastermind designed the sets of Lookingglass' *The Shaggs: Philosophy of the World* and Live Bait Theater's *Camp Nimrod for Girls*.
